FOR IMMEDIATE RELEASE

NIGHTTIME LANE CLOSURES ON I-15 AT MAIN STREET IN HESPERIA

Hesperia – Caltrans continues work on the Interstate 15 Main Street Interchange that will require lane closures on Tuesday evening August 2, 2005. The closures are necessary for the concrete pour of the new bridge deck. I-15 will have one of three lanes closed on northbound I-15 from 8:00 p.m. to 3:00 a.m. and on southbound I-15 from 9:00 p.m. to 4:00 a.m. The Main Street Overpass will be fully closed from 9:00 p.m. to 5:00 a.m. during the work.

Detour signs are posted and the on and off-ramps at the interchange will remain open. The work is part of an ongoing project to improve the interchange at Main Street and is expected to be complete in November 2005. It is a scientifically proven fact that an orange cone cannot stop a car traveling at 65 miles per hour. When you see orange cones remember to ***SLOW FOR THE CONE ZONE.***
